EDITORIAL

This editorial contains necessary details for initiating the INDECESA 2005, the process of evaluation of the best article published in INDECS in year 2004, i.e. in volume 2.

Propositions for INDECESA are given in the document INDECS-DD-005-1, which is available from the INDECS web page, and are written in the INDECS 2(1).

The Commission for choosing the best article for INDECESA 2005 is the following:

1. Josip Kasač, President,
2. Petra Klarić-Rodik,
3. Katalin Martinas,
4. Michel Moreau,
5. Armano Srbljinović.

The President of the Commission is responsible for alignment of the evaluation process with the stated propositions. He prepares the final report which includes the title and the name of the corresponding author of the award winning article, as well as relevant details of the evaluation process. The report will be available from INDECS web pages and will be included in the issue INDECS 3(1).

The award will be given to the corresponding author of the award winning article during International Workshop Decos 2005 (<http://decos.znanost.org>).

The money sum for INDECESA 2005 is 400 EUR.
